

Daniel Tanase (Board Liaison)

RI Director and Rotarian

Romania

Daniel Tanase is managing partner of Assist Software SRL, a research and software development company with 380 employees he co-founded in 1992. The company specializes in outsourced projects, including developing mobile and web-based custom business applications for e-commerce, security, health, and gaming. The Romanian Chamber of Commerce ranked Assist Software as the top information technology research and development firm in the country.

Daniel earned a Master of Science in civil and environmental engineering from the University of Bucharest. He holds a master's degree in Business Administration from The Open University, Milton Keynes, England.

Daniel joined Rotary in 2002 as a charter member of the Rotary Club of Suceava Bucovina, Romania. He has served RI as district governor, assistant Rotary Coordinator, Rotary Coordinator, Chair of the 2023 Rotary Institute in Bucharest, and seven times as an RI president's representative. He has served as a learning facilitator at DGE training seminars, Rotary Institutes, and the International Assembly. He is also a member of RI's Participant Experience Committee.

Daniel co-founded the Assist Humanitarian Foundation, an NGO dedicated to humanitarian causes. The organization has collaborated with Rotary on disease prevention projects and received a certificate of appreciation from The Rotary Foundation. He previously served on the board of the Blijdorp Romania Association, a daycare facility for children with severe disabilities.

He has authored books about management, a collection of short inspirational stories, and a Rotary Pocket Handbook.

Daniel is a recipient of RI's Service Above Self Award. He and his spouse, Marlena, support The Foundation as Major Donors.
