DISTRICT 9400 NPC • ISSUE 2, AUGUST 2019

Rotary

Greetings to all Rotarians,

Our special observance focus for the month of August is Membership and New Club Development.

I would like to encourage clubs to have a good look at how their meetings are run and sensitively quiz the experience by putting on a visitor's jacket. Many aspects can be assessed – the venue, the ambiance, the format, the fun factor and achievement of purpose and involvement, to name a few. Subtle, minor, more extensive or no changes at all to meeting formats may be indicated – try this little exercise, it could be very rewarding. If we can help grow Rotarians' club experiences we will further reflect the passion we have and the ability to attract new members could be positively enhanced.

A focus strategy of District 9400 is to make use of the relatively new idea of forming a Satellite Club. It could bring a new dimension to a Club – revitalize ideas and generate energy with the potential to widen and enhance the footprint in our District. Please see the link in the block below, along with many other suggestions for new membership development.

In the column to the right, there are some very useful links for a quick Health Check for your Club for Membership Month, which came from the desk of our Rotary International President, Mark Maloney.

Finally, a special greeting to all the Women in or associated with our Rotary Clubs to wish you a very happy Women's Month – see the link below where you can participate and enrich your Rotary experience.

Join us for an upcoming webinar [We Are Rotary: Advancing Women as Leaders](#) on Wednesday, 28 August, 15:00-16:00 Chicago time (UTC-5).

Until next month ...

Help your clubs stay strong and relevant to their members by sending them the [Youtube Link](#) to a video created by our CDS Team demonstrating the use of the [Rotary Club Health Check](#) (2450-EN) toolkit. Clubs are also encouraged to enroll the online learning course [Is Your Club Healthy?](#) The use of the *Rotary Club Health Check* will help club leaders identify opportunities and find resources to tackle challenges

MEMBERSHIP MONTH

August is designated as Membership month. Discover the Learning & Reference section of the My Rotary and make use of the membership resources available [here](#).

At the January meeting the RI Board of Directors recently adopted a new [Diversity, Equity, and Inclusion](#) statement committing Rotary to cultivate a diverse, equitable, and inclusive culture celebrating the contributions of people of all backgrounds.

Do your clubs reflect this statement?

Encourage them to take the course on [Building a Diverse Club](#) and to use [Diversifying Your Club](#) - assessment and act on results.
