

The Rotary Club of Sandton would like to call on you to support a worthy cause through the celebration of art 🍷

Over the first weekend in November the Rotary Club of Sandton will be hosting an art fair at Victoria Yards in support of our incredible local artists ZA This will also be a fundraiser, where we hope to raise money for one (or more) of our amazing community projects.

Rotary is a 116-year-old international organization that helps to, among other things, put food in stomachs, books in hands and warm blankets on the beds of those less fortunate. We also pride ourselves in creating safe havens women and children, early child development opportunities, literacy programmed, old she support, as well as keeping our endangered rhinos safe.

Through participating in this event, you too can play a role in making the world a better place  
♡
